NOW!

We are the rebels. No doubt you have heard many things about us.

Don't believe their lies!

The government is evil and corrupt. We are fighting to free the country.

So, who wants to be one of the "good guys"?

Who wants to help us fight the evil?

You?

No, you're too scared. The Revolutionary United Front has no use for cowards.

What about you?

Excuse me, sir...

You?

SPEAK UP! I can't hear you.
